

PAVEMENT RELATED STANDARD SPECIFICATIONS

Section Number	Title	Pavement Standards Teams (PST) Lead Unit	Contact and Phone Number
24	Lime Stabilization	METS, Office of Structural Section Design and Rehabilitation	Peter Vacura (916) 227-7218
25	Aggregate Subbases	METS, Office of Rigid Pavement Materials and Structural Concrete	Tom Pyle (916) 227-7281
26	Aggregate Bases	METS, Office of Rigid Pavement Materials and Structural Concrete	Tom Pyle (916) 227-7281
27	Cement Treated Bases	METS, Office of Rigid Pavement Materials and Structural Concrete	Tom Pyle (916) 227-7281
28	Lean Concrete Base	METS, Office of Rigid Pavement Materials and Structural Concrete	Tom Pyle (916) 227-7281
29	Treated Permeable Bases	METS, Office of Rigid Pavement Materials and Structural Concrete	Tom Pyle (916) 227-7281
37	Bituminous Seals	Division of Maintenance, Office of Pavement Preservation	Shakir Shatnawi (916) 227-5706
39	Asphalt Concrete	METS, Office of Flexible Pavement Materials	Terrie Bressette (916) 227-7303
40	Portland Cement Concrete Pavement	METS, Office of Rigid Pavement Materials and Structural Concrete	Tom Pyle (916) 227-7281
41	Pavement Subsealing and Jacking	METS, Office of Rigid Pavement Materials and Structural Concrete	Tom Pyle (916) 227-7281
42	Grooving and Grinding Pavement	METS, Office of Rigid Pavement Materials and Structural Concrete	Tom Pyle (916) 227-7281
88	Engineering Fabrics	METS, Office of Structural Section Design and Rehabilitation	Peter Vacura (916) 227-7218
90	Portland Cement Concrete	METS, Office of Rigid Pavement Materials and Structural Concrete	Tom Pyle (916) 227-7281
92	Asphalts	METS, Office of Flexible Pavement Materials	Terrie Bressette (916) 227-7303
93	Liquid Asphalts	METS, Office of Flexible Pavement Materials	Terrie Bressette (916) 227-7303
94	Asphaltic Emulsions	METS, Office of Flexible Pavement Materials	Terrie Bressette (916) 227-7303
